Re: Westwood World LLC
2299 S. Westwood Blvd.
DCR Core Record No. 310212

Commissioners:

I am writing to express my concerns and those of the neighboring community regarding Item #9 on the November 7, 2024 agenda. The applicant, *Westwood World LLC* (DCR Core Record No. 310212), located at 2299 S. Westwood Blvd., is seeking renewal of their annual license. Our office feels it is important to communicate the concerns we have received about this location.

This establishment has raised several issues within the community. These include its failure to attend a scheduled meeting with the Westside Neighborhood Council despite being added to the agenda after the applicant's representative offered to participate. Additionally, there have been reports of party activities occurring on four separate occasions since August 2023, which have likely contributed to disturbances in the area. There have also been allegations of the property being involved in damaging a tree in front of the building and displaying illegal street signage. These concerns suggest a pattern of neglect and non-compliance with community standards.

The Westside Neighborhood Council has informed us that they emailed a letter to the Commission dated October 30, 2024. We respectfully request that their letter be taken into consideration when deciding whether to grant the renewal of this annual license.

Respectfully,
