Dear Commissioners:

I am writing regarding **DCR Application no. LA-R-24-310162-ANN** for a cannabis dispensary to be located at 6223 Franklin Avenue in Hollywood.

The Argyle Civic Association has noted that the required contact phone number and email address for the applicant posted at 6223 Franklin are **not working**. The phone is disconnected and the email is returned as undeliverable. There has been **absolutely no sign of progress** in the build-out of this retail establishment over the past two years (at least), and the unit is covered in painted-over graffiti.

This shows a complete lack of communication with and concern for the surrounding community on the part of the applicant.

The Argyle Civic Association would like to request that his application be **rejected** because of repeated missteps by the applicant. We would also like to request that the DCR require the applicant to return the unit to its original state (i.e., **unpainted** and **without graffiti**).
