

DAY OF HEARING SUBMISSIONS

29 April 2025

Dept. of Cannabis Regulation
221 N. Figueroa St. Suite 1245
LA, CA 90012

RE: DCR Core Record No. 310157
LA-R-24-310157-ANN & ENV-310157-ANN

Dear Sirs,

There is a proposal to put a cannabis shop at 4878 Fountain Ave. in East Hollywood and the neighbors in the area are upset about this and have signed a petition to oppose it. There are over 460 neighbors and businesses in the immediate area who have signed. (attached)

In addition to the concerns re children in the area and the traffic congestion the shop would create, there are three churches within a block and an Alcoholics Anonymous program. Also, the East Hollywood Neighborhood Council opposes this. Additionally, there are several other cannabis shops in the immediate area. Another is not needed.

We are asking you to oppose the opening of this cannabis shop.
The hearing on this is Thursday, May 1st with the Cannabis Regulation Dept.

Sincerely,

Neighborhood residents and Businesses

PETITION

21 April 2025

We, the undersigned, who live in the immediate neighborhood, **strongly oppose** the opening of a cannabis shop at 4878 Fountain Ave, LA 90029. The reasons include: 1) Concern for well-being of the children living in the area, attending local activities or walking to school, as we believe controversial substances send the wrong message to the community. 2) The traffic and parking in the area is already very heavy and this would create further congestion. 3) This business district is a family-oriented creative community. A dispensary goes against these ideals as it is "pick up" "pop-in-pop out" shop. This is not conducive to the shopping district. 4) There are several other cannabis dispensaries already in the area, including one only three blocks away on Sunset Blvd., more are not needed.

We, the undersigned, who live in the immediate neighborhood, **strongly oppose** the opening of a cannabis shop at 4878 Fountain Ave, LA 90029. The reasons include: 1) Concern for well-being of the children living in the area, attending local activities or walking to school, as we believe controversial substances send the wrong message to the community. 2) The traffic and parking in the area is already very heavy and this would create further congestion. 3) This business district is a family-oriented creative community. A dispensary goes against these ideals as it is "pick up" "pop-in-pop out" shop. This is not conducive to the shopping district. 4) There are several other cannabis dispensaries already in the area, including one only three blocks away on Sunset Blvd., more are not needed.

We, the undersigned, who live in the immediate neighborhood, **strongly oppose** the opening of a cannabis shop at 4878 Fountain Ave, LA 90029. The reasons include: 1) Concern for well-being of the children living in the area, attending local activities or walking to school, as we believe controversial substances send the wrong message to the community. 2) The traffic and parking in the area is already very heavy and this would create further congestion. 3) This business district is a family-oriented creative community. A dispensary goes against these ideals as it is "pick up" "pop-in-pop out" shop. This is not conducive to the shopping district. 4) There are several other cannabis dispensaries already in the area, including one only three blocks away on Sunset Blvd., more are not needed.
