All verified Social Equity Individual Applicants (SEIAs), whether verified in 2019, 2022, or 2025, are eligible to register for the Lottery. In total, about 2,000 individuals have been verified from these verification periods.

Prior to conducting the Storefront Retail License Application Lottery, all registration submissions will be reviewed by DCR for eligibility, and DCR will assess the number of selectees to be chosen in the Lottery based on the capacity for retail storefront licenses when the 2027 renewal period concludes.
